- 2- The student must respect and obey all directions of their instructor. Time-keeping it's very important, if you close your phone arriving late or not arriving, to a class, to a workshops or to a course session, the training will be cancelled at that moment. Keep your phone open and communicate with teacher what's happening, so you can arrange another day or hour to recover the session.
- 3- If the course takes place at a rented studio, the student must use the space rehearsing, or warming up until the teacher arrives.
- 4- If the student drops the course at any moment, even before starting it, the student will not get a financial compensation. Our teachers organise their life's around bookings, so when a student book's, the teachers are buying flights, booking accommodations, and many other expenses to be able to be there with the student, the dates and place they were booked for to teach, also for a group.
- 5- Paying your fee does not give you the right to get a certificate, this is like a University, you must study hard every day, doing all your written and practical homework's to pass your exams successfully, so get a good mark on your Level Certificate, and achieve the International Level Certification after ending the course. You will receive it at your home address above before 3 months after ending.
- 6- Students are responsible of themselves and your belongings (not the teacher or the School), even if the student books her accommodation alone, but all students must be 24 hours reachable by local phone, so students must get their own local phone line SIM card. If you are under-age student, then you need to present a;so a written permission by your parents with their ID or passport copies.
- 7- Students loose their copyrights of all written homework's they produce during the course, transferred to the teachers Alia Shams or Amora Shams that they will use and copyright them to be published on their books, etc. This is why Amora will keep all original homework's and give copy to you.
- 8- You are responsible of getting your own Tourist VISA , we don't provide any invitation letter.
- 9- If a student gets sick and she is forced by doctor certificate to stop all activities, then she will be allowed to join the course in another future date. If for any reason she decides not to study this program, she can always sell her spot to another student that can take her place, but first the other student needs to register with Amora Shams.

## TEACHER OBLIGATIONS:

- 1- The teacher is responsible of teaching the complete program contracted in this form and in the dates agreed previously by email.
